

Technical drawing of a log cabin with a complex roof structure. The drawing shows the side elevation with dimensions in millimeters. The overall width is 6289 mm, divided into three sections: 1785 mm, 1880 mm, and 1329 mm. The overall height is 3600 mm, with a section of 2300 mm and a base height of 45 mm. The cabin features a gabled roof on the left, a central hipped roof with a chimney, and a smaller gabled roof on the right. The walls are made of logs, and there are windows on the left and right sides.
